# Background

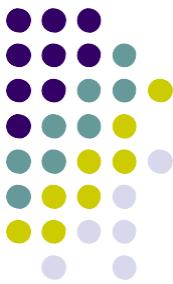

1. On June 24, 2020 five Eritrean Political Forces signed a joint agreement declaring their commitment to coordinate their work in the struggle to defeat the dictatorial regime and bring democratic change in Eritrea.
2. Key driving factors for this agreement are:
  - a) The heightened public call for unity to remove the dictatorial regime without delay;
  - b) The glaringly apparent betrayals of and threats to Eritrea's sovereignty by the dictatorial regime;
  - c) The worsening of the political and socio-economic crises, increasing suffering of the nation and the exodus of its youth, and endangerment of the very existence the state caused by the failed internal and external policies of the regime;
  - d) The danger posed to the country by the prevailing fierce competitions of the regional and international powers in the region.
3. The agreement calls for the establishment of a coordination committee to guide and administer joint operations through task forces created to act on the various areas of joint actions.
4. EPF have issued a general operational procedure for the Coordination Committee.
5. A work plan is developed to implement the agreement.

# خلفية

1. في 24 يونيو 2020 وقعت خمس قوى سياسية إريترية اتفاقية مشتركة تعلن التزامها بتنسيق عملها في النضال لدحر النظام الدكتاتوري وإحداث التغيير الديمقراطي في إريتريا.

2. العوامل الدافعة الرئيسية لهذه الاتفاقية هي:

- أ) الدعوة الشعبية المتزايدة للوحدة لإزالة النظام الدكتاتوري دون تأخير ؛
- ب) الخيانات والتهديدات الواضحة لسيادة إريتريا من قبل الديكتاتوريين والنظام الحاكم؛

ج) تفاقم الأزمات السياسية والاجتماعية والاقتصادية ، وزيادة معاناة الأمة ونزوح شبابها ، وتعريض وجود الدولة نفسه للخطر بسبب السياسات الداخلية والخارجية الفاشلة للنظام ؛

د) الخطر الذي تتعرض له البلاد من جراء المنافسة الشرسة السائدة بين القوى الإقليمية والدولية في المنطقة.

3. يدعو الاتفاق إلى إنشاء لجنة تنسيق لتجهيز وإدارة العمليات المشتركة من خلال فرق عمل تم إنشاؤها للعمل في مختلف مجالات العمل المشترك.

4. أصدرت القوات السياسية الإريترية إجراءات تشغيلية عامة للجنة التنسيق.
